

Covid 19 Prayer Prompt

Pray for:

- Government leaders including – provincial, federal, municipal here and around the world
- Health officers and their support teams
- First responders – Paramedics, police and fire
- Doctors, nurses, all hospital workers including orderlies and cleaners (like Kelly Allen)
- Pharmacists
- Everyone working with our food supply –farmers, wholesalers, truckers, warehouse staff, grocery store staff
- Essential workers – garbage collectors, water purification and sanitation, hydro workers, personal care givers, mail carriers, postal workers, funeral home staff
- People who live by themselves and don't have relatives living near by
- People with compromised immune systems – because of cancer, transplants, chronic diseases and illnesses
- People who are stranded in other countries and are trying to make their way home
- “hot spots” in the world where the number of infections is the worst (China, Italy, Iran, Spain, Germany, South Korea).

Praise God for:

- Medical experts
- Government officials who have recognized that people are going to need financial assistance
- The technology that allows people to work from home
- Strangers helping strangers
- People staying calm
- Being in control and being a merciful God who hears our prayers
